*Notes:*

Unit size is full-time (FT), part-time (PT or adjuncts), or full-time and part-time faculty (FT/PT), as reported by unit. NTT = Nontenure Track Faculty. AP = Academic Professional staff (i.e., not faculty status) unit. ESP = Education Support Professionals. ESP units include those labeled ESP, support, clerical, maintenance and trades, custodial, security, technical and operators. **Units are full-time faculty unless otherwise stated.** N/A = Data not available at press time.

This table employs the definition of a branch campus used by the National Center for Education Statistics. A branch campus, notes the NCES definition, possesses these characteristics: a permanent administration, programs offered that are at least two years in length, location not within commuting distance of the parent campus.

While we believe the list to be accurate, unit size and affiliation change. If there are errors in the list, please write to the NEA Center for Organizing, c/o Valerie Wilk, [vwilk@nea.org](mailto:vwilk@nea.org), with updated information, and the listing will be corrected.
