Ashley Muscarella for NEA Student Program Chairperson 2016

Ashley is a Secondary Education and History Major with a Political Science Minor at the University of Pittsburgh at Greensburg, Pennsylvania. Upon graduation, Ashley aspires to teach high school students American History. She loves challenging her students to take a multicultural approach in their historical learning and inquiry. Ashley has dedicated three years of her college career towards advocating for students, educators, and our profession through Student PSEA. She has developed her skills as a teacher, passionate advocate of public education, and leader through her experience through NEA and PSEA. In her leadership, Ashley served in her local chapter of Student PSEA, at the regional level of Student PSEA, and she currently represents over 7,200 student members as the Student PSEA State President. On her campus, Ashley has also served as: Presidential Ambassador, Commuter Mentor, Vira I. Heinz Women in Global Leadership Mentor, Leonardo Da Vinci Scholar, among an assortment of other representative and leadership roles within her campus community. She hopes to bring her experience to serve the NEA Student Program and work together with fellow educators, future teachers, peers, and students to serve pre-service members.
