

## Take the Pledge! Degrees NOT DEBT

Increase need-based federal aid, like Pell Grants. Refinance student loan interest rates. Expand loan forgiveness programs for people working in public service careers. If you believe that all Americans, no matter their background, deserve a fair shot at higher education, join us.

## Take the Pledge! Degrees NOT DEBT

Increase need-based federal aid, like Pell Grants. Refinance student loan interest rates. Expand loan forgiveness programs for people working in public service careers. If you believe that all Americans, no matter their background, deserve a fair shot at higher education, join us.

**Degrees NOT DEBT** is a campaign that supports a growing network of NEA members, community partners and allies committed to college affordability for all.

I am willing to add my voice for college affordability for all and am committing to:

- Gathering signatures to call on decision makers to act
- Obtaining support from my professional and community allies by advancing motions in support of college affordability (i.e. Faculty Senate, Student Senate, Board of Education, PTA, Civic groups, etc.)
- Issue(s) of interest: \_\_\_\_\_
