**ARTICLE V – CONDUCT OF ELECTIONS**

A. Elections for all vacant NEA-Retired positions are conducted simultaneously.

B. Only Retired delegates to the NEA Representative Assembly are eligible to vote. Successor delegates may only vote at the Retired Annual Meeting if they are voting delegates at the NEA Representative Assembly.

C. Nominations for Resolutions Committee shall be open and the election shall be by secret ballot.

D. Candidates addressing the Annual Meeting will be subject to the following time limits: President, Vice President, Secretary, Executive Council, and Retired NEA Board of Directors: **3 minutes**; Retired NEA Resolutions Committee and Retired Alternate to the NEA Board of Directors: **2 minutes**.

E. Candidate speaking order and ballot position will be determined by lottery. The speaking order will be display electronically in the Annual Meeting General Session room.

F. Elections for NEA-Retired Officers, Executive Council, and Retired NEA Board of Directors shall be determined by a majority of the ballots cast in
each race. Vote tabulation will be conducted in accordance with NEA election procedures – adding the number of valid votes cast and dividing by twice the number to be elected. Any ballot determined to be invalid will not figure in the computation of the majority.

G. Run-off election(s) shall be held if no single candidate receives a majority vote on the first ballot. The run-off ballot shall list the candidates who, in descending order, received the highest number of votes on the previous ballot, with one more candidate than the number of positions to be filled.

H. Election to the NEA Resolutions Committee shall be determined by plurality vote. Members and alternates will be declared elected in the order of votes received. In case of a tie, run-offs will be held only to determine elected position.

I. Following each election, the Elections Chair shall report to the Annual Meeting, including the number of valid and invalid ballots cast, the number of votes each candidate received, and the candidates elected or moving to a run-off election (if necessary).

J. A candidate may assign an observer to the Elections Committee. The observer may be present in the voting/election room but cannot interfere in any way with the election process.

K. Election Committee members and observers will be sequestered until the Chair of Elections announces or posts the elections results.

L. NEA-Retired voting delegates must show their credential badge before voting.

case may be, shall take all legally permissible steps to elect a fourth director who is from an ethnic-minority group.”

NEA Standing Rules (Rule 7.B.8, referring to election Resolution Committee members) state:
