Preschool Development Grants

Funds would support grants to States to carry out the activities needed to ensure that every State willing to commit to expanding preschool access has the high-quality programs required to successfully serve four-year-old children. The Education Department would provide competitive grants to States with preschool systems at various stages of development that are planning to provide universal access to high-quality preschool for four-year-old children from low and moderate income families.

FY 2014	\$750	FY 2019	\$838
FY 2015	\$770	FY 2020	\$856

FY 2018	\$819	FY 2023	\$919
		FY 2014-23	\$8,311

Preschool for All

Funds would support grants to States for the implementation of high-quality preschool programs that are aligned with elementary and secondary education systems and help ensure that all children arrive in kindergarten ready to learn. The Education Department would share costs with States to serve all children from low- and moderate-income families, create an incentive for States to expand access to high-quality preschool for additional middle class families, and promote access to full-day kindergarten and high-quality early learning programs for children under the age of four.
