

<p>2009 NEA-RETIRED</p> <p>STATE WEB PAGE AWARD</p>
<p>AND ENTRY FORM</p>

A NEA-Retired NBI Passed at the 2005 Annual Meeting requested that a Website Award for State-Retired Websites be instituted. We ask that stand-alone or affiliate linked State-Retired Sites be submitted for competition.

The sites will be recognized for the quality of their communication to NEA-Retired members about retirement issues and services. They will be judged on design, message development, user friendliness and effectiveness in showcasing members, their interest and issues.

We encourage you to enter your state website as we begin to share in the development of this “new era” of communication.
