

Don't miss out on the nation's largest reading party!

NEA's Read Across America is more than a one-day celebration of reading. It's an award-winning, year-round literacy program that offers tips and materials to keep reading on the calendar all year long.

Sign up for the Read Across America workshop and don't forget to stop by NEA's Read Across America booth.

In our workshop, you'll learn about Read Across America and its initiatives like *Lea con La* NEA and NEA's Books Across America, which gives the gift of reading to those in need.

At the official Read Across America booth, you can stock up on the latest materials, Seuss-tastic chotchkes, tips, and resources that can help you to recruit, engage and mobilize members, students and the community. And you'll have a chance to win Read Across America prizes in a special raffle.

You will have everything you'll need to celebrate the 13th anniversary of **Read Across America Day on March 2nd**, when more than 45 million people will be in the company of a good book.
