n/a = not available. Grants would be awarded on a competitive basis.

* High-need LEAs, SEAs in partnership with one or more high-need LEAs, and nonprofit organizations in partnership with one or more high-need LEAs would be eligible to apply for competitive grants for innovative uses of technology in classroom instruction or professional development; dissemination of evidence-based practices; and scaling up effective programs. SEAs also would be eligible for funds, under the program's national activities authority, to help strengthen the use of technology in the core academic subjects.
