Cyber lobbyists -- together we have already won:

- An historic increase for education funding – a more than 100 percent increase in education dollars through the American Recovery and Reinvestment Act—that saved 300,000 educator jobs
- Health insurance for 32 million children and adults
- Increased student aid to help more students afford postsecondary education without insurmountable debt
- Secured a record \$2 billion new investment for community colleges to support their invaluable role in economic recovery
- \$4 billion for school construction – to ensure safe, modern learning environments
- Legislation to help combat hate crimes
- An expanded children's health programs to cover 4 million more children
- And more...

Imagine what we can do next!

Speak up for children and public education and you could win a Mini Netbook Computer Daily!
