MORGAN BROWN

For NEA Board of Directors

Taking action, and getting results

PAID BY THE COMMITTEE TO ELECT MORGAN BROWN
Morgan is a graduate student at Old Dominion University in Norfolk, VA. She has been an active member of the SVEA, VEA, and NEA for four years. During those four years, she has held a number of leadership positions in the union on the local, state, and national level. Through her experience as a union member and leader, she has had the opportunity to meet a number of new people from across the country, which gave her the opportunity to have open conversations concerning the future of education and our program. In the classroom, Morgan plans to become an elementary teacher in a school where she can be a role model for all students. In the union, Morgan hopes to continue the fight of making sure all voices are represented and heard. Morgan will make sure that the voices of the Aspiring Educators are represented well and our voice resonates loud and clear!
