Session Outcomes (final slide)

• The content from this session can be used in the following ways in your current position/role:
  – Example 1 – Learn how to design and implement a teaching and learning advocacy/support program that is by teachers and for teachers.
  – Example 2 – Learn how to organize with community allies and how to establish an intersectional community alliance coalition.
  – Example 3 – Learn how to organize for power at the school site level.
Please complete the evaluation for this breakout session!
