The NEA ESP Quality Department and the Yale University Child Study Center have collaborated to produce a brand new webinar entitled *The Village and the Whole Student*. This pre-recorded webinar presentation focuses on the importance of all school employees working together in a school system to reach maximum impact on the lives of their students academically, socially and emotionally.

We are honored to have Dr. James Comer, MD, MPH, the Maurice Falk Professor of Child Psychiatry at the Yale University Child Study Center, provide us with an in-depth discussion on the whole village concept. Dr. Comer is a pioneer in the child development movement who has been honored many times for his life work.
