

## 2000–2001 Faculty Salary Report

The 2000-2001 institutional faculty salary report provides salary and compensation information for the 2,867 institutions in NEA's faculty salary universe. The data are organized by state, institutional type, and control. The data are provided by the U.S. Department of Education, National Center for Education Statistics, Integrated Postsecondary Education Data System's Preliminary Salary Data for 2000–2001.

The detailed data reported are for faculty on 9/10 month contracts only. A national summary of percent change of 9/10 month salary, women and tenured faculty and faculty on 11/12 month contracts follows. Changes in average faculty salaries are reported only for institutions responding to the NCES's Salary Surveys in both 1989–90 and 1999–2000. All dollar amounts are reported in thousands of dollars.

Definitions for the institutional report column headings are as follows:

AVG (\$):	Average salary for faculty on 9/10 month contracts, in thousands of dollars.
% CHNG (%):	Percent change in average faculty salary from 1989–1990 to 1999–2000.
# OF 9/10 (#):	Number of faculty on 9/10 month contracts.
% CHNG 9/10 (%):	Percent change of all faculty in the institution that are on 9/10 month contracts from 1989-90 to 1999-2000.
# OF FEM (#):	Number of full-time female faculty on 9/10 month contracts.
% CHNG FEM (%):	Percent change in number of female faculty on 9/10 month contracts from 1989–1990 to 1999–2000.
# OF TEN (#):	Number of tenured faculty on 9/10 month contracts.

% CHNG TNRD (%): Percent change in number of tenured faculty on 9/10 month contracts from 1989–1990 to 1999–2000.

AVG BENE (\$): Average benefits for faculty on 9/10 month contracts, in thousands of dollars.

% CHNG BENE (%): Percent change in average benefits from 1989–1990 to 1999–2000.

The following notes are used throughout the report:

(1) Based on data as reported by the institution.

(2) Nonresponding institution, data are not imputed.

(3) Nonresponding institution, data are imputed based on previous year.

† Percent change is greater than 100% because of small n's.

+ Data suppressed for confidentiality purposes.

\* Due to suppression of data in one or more ranks for confidentiality purposes, the institution's average salary has been computed from the averages shown in the ranks of this report.

**Average Percent Change of Salary, Women, Tenure, and 11/12 Month Contracts, by Institutional Type and Control, 1989–1990 to 1999–2000**
