

DATA ON SCHOOLS/DISTRICTS NOT MAKING ADEQUATE YEARLY PROGRESS (AYP)
PREPARED BY THE NATIONAL EDUCATION ASSOCIATION

Source: State Department of Education websites, NEA state affiliates, and press reports. This chart is subject to change because States periodically revise their lists. Because of va not comparable across states. AYP results are not comparable across states because results are based on AYP rules changes issued by the U.S. Department of Education as well as

Notes:

The numbers for schools not making AYP for at least one year include the number of schools not making AYP for 2 or more years.

Some states only list Title I schools as not making AYP for 2 or more years. Some totals in that column include both Title I and non-Title I schools, but some states only apply NC

To be removed from the school improvement list a school or district must make AYP for two consecutive years. Some of the schools/districts listed in this category made AYP las AYP in this school year.
