

Bio

Sara C. Ferguson

Educator

Chester Upland School District

Chester, PA 19013

Ms. Ferguson is a 20 year employee of the Chester Upland School District where she currently teaches Literacy and Math. She is a third generation educator in Chester Upland. As a proud product of the Chester Upland School District herself, she feels privileged to have touched the lives of so many students. Like her family before her, she sees education as a vehicle of change in our society. "What's done, or left undone in classrooms across America will determine the course of students' lives. Ultimately, the survival of our society rests on the quality of our educational system."

Ms. Ferguson holds a Bachelor of Arts in Psychology from Widener University, a Masters of Education in Elementary Education from Cheyney University of Pennsylvania, a Masters of Education in Educational Leadership from Cabrini College, and has completed the coursework for her Superintendent's Letter of Eligibility from Saint Joseph's University.

In her free time, Ms. Ferguson enjoys reading, theatre, running, and movies. She is a member of Delta Sigma Theta Sorority Incorporated. She participates in the Leukemia and Lymphoma Society, Team in Training as a fundraising volunteer and has completed two half marathons with their team.
