### Allocations to LEAs in Colorado

Across all three federal laws (CARES, CRRSA, and ARP), SEAs must use at least 90 percent of their grant awards to make subgrants to LEAs in proportion to the amount of funds that each LEA received under Title I, Part A in the most recent fiscal year.

## GEER

### Allocations to Colorado

Both the CARES Act and CRRSA Act provided funding to Governors through the Governor's Emergency Education Relief (GEER) Fund. The U.S. Department of Education is required to allocate 60 percent of the funds based on each state's relative population of individuals aged 5 through 24, and 40 percent based on each state's relative number of children counted under the Title I, Part A formula.

|                    |                     |
|--------------------|---------------------|
| GEER I Fund        | \$44,004,996        |
| GEER II Fund       | 19,431,573          |
| <b>Total, GEER</b> | <b>\$63,436,569</b> |

GEER funds may be used by the Governor of Colorado in support of public elementary and secondary education, institutions of higher education (IHEs), or other education-related entities. A Governor has wide discretion in determining the entities in the State that will receive GEER funds. A Governor can choose to fund only LEAs, only IHEs, only education-related entities, or any combination of eligible entities.

**Please Note: On March 24, 2021, the US Department of Education released two-thirds of each state's ARP ESSER allocation to the states in a Grant Award Notification. Per the Department's March 24 press release, "The remainder of ARP ESSER funds will become available after states submit the plans they are developing and implementing for using ARP ESSER funds to safely reopen schools and meet the needs of students to the Department." In the ARP ESSER application, Colorado LEAs will be able to budget the full ARP ESSER (ESSER III) allocation (total award), however only two-thirds of the allocation will be available for reimbursement until CDE receives approval of the state plan for using ARP ESSER funds to safely reopen schools. More information on the US Department of Education's announcement is available at the link below.**
