

## ESSER

### Allocations to LEAs in Connecticut

Across all three federal laws (CARES, CRRSA, and ARP), SEAs must use at least 90 percent of their grant awards to make subgrants to LEAs in proportion to the amount of funds that each LEA received under Title I, Part A in the most recent fiscal year.

*minimum CSDE distribution to LEAs*

ESSER I Fund	\$99,961,253
ESSER II Fund	443,183,812
ARP ESSER Fund	995,327,887
<b>Total, ESSER</b>	<b>\$1,538,472,952</b>

## GEER

### Allocations to Connecticut

Both the CARES Act and CRRSA Act provided funding to Governors through the Governor's Emergency Education Relief (GEER) Fund. The U.S. Department of Education is required to allocate 60 percent of the funds based on each state's relative population of individuals aged 5 through 24, and 40 percent based on each state's relative number of children counted under the Title I, Part A formula.

GEER I Fund	\$27,881,682
GEER II Fund	12,449,047
<b>Total, GEER</b>	<b>\$40,330,729</b>

GEER funds may be used by the Governor of Connecticut in support of public elementary and secondary education, institutions of higher education (IHEs), or other education-related entities. A Governor has wide discretion in determining the entities in the State that will receive GEER funds. A Governor can choose to fund only LEAs, only IHEs, only education-related entities, or any combination of eligible entities.
