

ESSER

Allocations to LEAs in Ohio

Across all three federal laws (CARES, CRRSA, and ARP), SEAs must use at least 90 percent of their grant awards to make subgrants to LEAs in proportion to the amount of funds that each LEA received under Title I, Part A in the most recent fiscal year.

minimum ODE distribution to LEAs

ESSER I Fund	\$440,284,680
ESSER II Fund	1,792,125,986
ARP ESSER Fund	4,024,860,387
Total, ESSER	\$6,257,271,053

GEER

Allocations to Ohio

Both the CARES Act and CRRSA Act provided funding to Governors through the Governor’s Emergency Education Relief (GEER) Fund. The U.S. Department of Education is required to allocate 60 percent of the funds based on each state’s relative population of individuals aged 5 through 24, and 40 percent based on each state’s relative number of children counted under the Title I, Part A formula.

GEER I Fund	\$104,917,025
GEER II Fund	46,294,684
Total, GEER	\$151,211,709

GEER funds may be used by the Governor of Ohio in support of public elementary and secondary education, institutions of higher education (IHEs), or other education-related entities. A Governor has wide discretion in determining the entities in the State that will receive GEER funds. A Governor can choose to fund only LEAs, only IHEs, only education-related entities, or any combination of eligible entities.
