Program Basic Information:

Rationale: include a description of what led to the development of the program. (What issues or problems are you addressing? What was the impetus for the program?)
Development and Components of the Program:

**Components:** include the “parts of the program”. (Include who was involved in the planning? Is the program relevant and sustainable? Is there a plan for sharing with your stakeholders? Is there a media component?)

Goals:
What are the basic 2 - 3 goals of your program?

Plan Outline:
Include a step by step plan of action with a timeline. You may use this space or attach to the application.

Implementation of the Program:
Address the following components to help us understand the scope and diversity of your program.
What collaborative partners were involved and to what extent?
<table>
<thead>
<tr>
<th>Question</th>
</tr>
</thead>
<tbody>
<tr>
<td>How many association members are directly involved in the program?</td>
</tr>
<tr>
<td>What roles did your members play?</td>
</tr>
<tr>
<td>Did any additional opportunities or additional programs grow from this work?</td>
</tr>
</tbody>
</table>

**Program Budget:**
Include or attach a copy of your budget and where possible the actual monies spent along with their source.

**Evaluation of your program:**
Did you complete or are you in the process of completing your program?
How did you measure success? Make sure you address each of your goal areas.
How will you share your success, failures/weaknesses with stakeholders involved in the program?

**Outreach:**
How would you “grow” the program if you decided to do it again?
What advice would you give to someone who was considering implementing a similar program?

If you could share one AHA moment before, during or after the program that demonstrates success what would it be?

If you are named an award winner you will be asked to complete a visual presentation (ie: story board, video with photos) and a short description of the program. Are you willing to complete that requirement? Who will complete this component?

Thank you for being an NEA-Retired member and standing for Public Education! Good Luck on your application for the “Spirit of Membership” Award! We are ALL winners when we work for kids and the employees of America’s public schools!
