CREDO
DENTIALS COMMITTEE
PRELIMINARY REPORT

Thank you, Madame President. I’m Brenda Robinson, from Arkansas, and I am the Chair of the Credentials Committee.

This is the Preliminary Credentials Report for the NEA 2022 Representative Assembly, the 160th annual meeting of the NEA. A Final Report will be issued on the last day of the RA.

THE COMMITTEE’S PRELIMINARY REPORT IS AS FOLLOWS:

1) We find all affiliates that have sent delegates to the 2022 RA are in compliance with dues obligations pursuant to NEA Bylaw 2-9.

2) 1,932 delegates who have identified themselves as ethnic minorities have registered for the 2022 RA. This represents 38% of the registered RA delegates so far this year.

3) So far, 21 affiliates have achieved their Bylaw 3-1(g) goal – that is, their ethnic minority representation goal – this year, according to current registration data.

4) The preliminary delegate count is 5,071. This includes 3,858 delegates attending in-person and 1,213 delegates attending virtually. There are also 80 non-delegate members registered. At this time, there is a total registration of 5,151.

President Pringle, on behalf of the Credentials Committee, I move adoption of this preliminary report of the Credentials Committee for the 2022 Representative Assembly.
