

VOTE ALLANA BAILEY

For NEA Board of Directors

EVERYONE NEEDS THEIR ABCS

AUTHENTIC

With my background, I had to learn to be the best for myself and learn not to need the approval of others. I had to fight for what was right for myself, and everyone, young and old. I will always speak my voice no matter what.

BALANCED

As a full time college student, working, paying bills, and supporting my fellow teachers in KEA and NEA, I always make time for myself, family, and Aspiring Educators!

COMPASSION

I will always make sure to not only lead with my head but with my heart as well, because we are fighters, we are compassionate, we are teachers!
