NEA is publishing and/or distributing candidate brochures as a service to its members in order to ensure a fully informed electorate. All candidates were provided with an equal opportunity to submit brochures to NEA for distribution. This brochure was prepared by candidate Mark Norberg and solely reflects the views and opinions of the candidate, and not those of NEA or its affiliates. IT'S TIME TO UNITE.
IT'S TIME TO FIGHT.
IT'S TIME FOR:
NORBERG FOR NEA PREZ.

We are at a crossroads...

Our members have suffered decades of inadequate compensation, exploding class sizes, crushing healthcare costs, and insufficient staffing and funding.

The reason is simple: we have put the responsibility for solving all of our biggest problems onto the backs of our local unions.

But these problems are not local problems.

We must demand that the NEA stop standing on the sidelines and start mobilizing us nationally. We must start **USING** our incredible national organizing infrastructure to win the kind of world-class funding our members, our students, and our communities deserve. I'm running for NEA president to do just that.

BIO: After a 20-year career at the L.A. Times, Mark Norberg left to pursue his passion for teaching. His work in the corporate world has given him a unique appreciation for public education – and the power of unions. Currently, he serves on the Board of his local union (BTA), is a State Delegate (CTA), is vice chair of the California BATS, co-chair of the California Ecology Justice Caucus, and an eighth grade English teacher.
