MARCLIA MACKEY

As a proud union member, I serve at the national level on the NEA Board of Directors and the NCHE Executive Committee. For NCHE, I served two years as an At-Large Member of the Board, then Secretary from August 2019 to current. For NCHE I was very involved in the revisions to the Constitution & Bylaws that passed in 2019. It would be a privilege and honor to serve as the NCHE Vice-President.

Greetings! I am a candidate for the NCHE Vice-President position because I believe in the importance of service to NCHE, to advance the value of public higher education. For NCHE to impact HE, we need an effective voice and engaging leaders. We must speak for the needs of all HE members and advocate for member concerns.

I worked directly with US Senator Gary Peters to support legislation that protects the rights of colleges and universities to develop curriculum programs that meet the needs of their students. We worked to revise military education benefits to align with the Pell Grant Program. I advocate for policies to protect undocumented students, non-tenure track faculty, and gun safety on all of our campuses.

While on the NEA BOD Higher Education Conference Planning Committee I advocated for separating our conference from the NEA Leadership Summit. I will commit the time and energy necessary to advance for a positive, proactive agenda that benefits all NCHE members.
