The NEA PAC amplifies educator voices and champions pro-public education candidates, legislation, ballot initiatives, and policies. Along with educators who support it, NEA PAC builds political power. As a delegate, you know how important it is to have your voice heard and your vote count. That's why we set a goal for each delegate to raise or give \$200 for the 2024 RA!

ABOUT THE NEA PAC AND THE NEA REPRESENTATIVE ASSEMBLY

The 2024 PAC goal is \$200. This goal can be met by giving or raising contributions from your colleagues using a PACTivist Page. Don't have your PACTivist Page yet? Scan this QR code and sign up today!

Your contributions made to the NEA PAC from July 16, 2023 through July 15, 2024 count toward your \$200 goal.

Go ahead and get started now! Scan the QR code to set up a monthly contribution of \$10 or more and you'll be ahead of the game when you arrive at the RA.

All contributions are 100 % voluntary and only NEA members, staff members, and their families may be asked to contribute.

In kind contributions made of goods or services for fundraising purposes must also be recorded. These do NOT count towards your individual RA goal.

The NEA Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. Contributions to the NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. Contributions to the NEA Fund are not deductible charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.
