

NEA-Retired Racial and Social Justice Committee

PURPOSE

The NEA-Retired Racial and Social Justice Committee works to increase our knowledge and understanding of racial and social justice issues and strives to address these issues. This committee shares this knowledge with our NEA-Retired affiliates and NEA-Retired Executive Council.

GOALS

The committee's goals are to:

1. Explore all forms of racism and social injustice at all levels that impact our Retired members. We will address this through in-depth trainings, self-reflections, interactions, readings and other media.
2. Develop strategies and resources to assist with the implementation within NEA-Retired affiliates to make racial and social justice a priority for all our Retired members.
3. Develop a network of resources and members to address racial and social justice issues for our Retired members.

Janice Dwosh, AZ Committee co-chairperson
Felecia Owens, TX Committee co-chairperson
